5.		<b>Favor</b>	Bruce C Smith Jr	I'm in favor of this item. ILP saved my life 20 years ago and I'm astatic that it continues to provide affordable living to reduce homelessness today. Also, I'd like to thank the social workers and staff who aides in this program. There, I met the social worker who assisted me in getting employed by LASD. 20 years later, I'm now an Assistant Chief Engineer with the department. Again, because of this program, it saved my life and provides amazing opportunities for other foster youth. Continue the great works!! Attached is a snippet for the May 2006 County Digest Page 10 where I was featured as that month's success story.
